Scholar@SAP - Placement Invitation

Open up Scholar@SAP as a career option

Dear Placement Officer,

We are pleased to inform you that we are all set to kick off our 2021 early talent hiring. We at SAP Labs India are looking to induct bright minds into our organization through the Scholar@SAP program with BITS Pilani, and what better a place than your institution to find them! We are keen to nurture some of your leading talents who can innovate, excel and be part of the excitement at SAP Labs India.

The time has come for the 2021 batch to step into the world of industry and career. Their future presents big opportunities, and we have one for them to consider. The Scholar@SAP program lets them work for an organization that will open doors for them through a work and study opportunity with SAP. Alongside, they can better their prospects with an M.Tech in Software Engineering from BITS, Pilani, while getting valuable work experience working with an internationally-reputed organization.

This is a golden opportunity for them to start creating their future on the right note. We are inviting applications for the batch graduating in July/August 2021. To help us take this forward, we request you to send us the information of all your interested & eligible students. Below is the detailed outline on the program, eligibility criteria, interview process and the compensation offered.

Highlights of the Program:
